

Camp Times ³

London? What happened?

While fame spotting in London some of our groups found themselves on and MTV show live and followed by the police for paddling in the Trafalgar Square fountains.

Eddas Spanking while Banking rubbed off on some as they were told off for spanking the merry-go-round horses.

Jay in Halloweenies got caught with his trousers down while at a cash point.

The rain did not dampen anyones spirit and everyone shopped till they dropped, or saw a lot of London.

Coming back from London bus 1 had a window smashed which possibly was someone throwing a stone at the bus, the window stayed together and there were no casualties.

Competition Continues...

The Football finals will be held Friday afternoon and rivalry continues between The Halloweenies and The Valenteenos. Sure to be an exciting match.

Also the Basketball finals will be held on Friday afternoon between the Halloweenies and The Happy Birthdays.

Be there to support your villages and cheer as loud as possible.
