

Diary of a Camper

By Melisse

It is so sad that this is our last night here. Everything was wonderful, and every little thing was an experience for me. I think now I know much more about everything than before. First of all I learned so many things like playing drums, archery, paintball. I will miss everyone, I will try to keep in touch with everyone. I swear I will even miss the weather :-)

I will miss that stupid music that plays on C.A.K.E. FM every day. I will miss all my friends here. I will miss the wake-up in my green tent. I will miss those disgusting breakfasts. It's really good to be here. And after everything I am still planning to come next year!
