National Day

What a great event!!!
National Day is going very well today. Many young people have been working together to make it happen and to show us a part of their country.

Different and very nice food, music, art, crafts and samples of their cultures.

And it is not over yet!!!
Tonight at the Night Café we will try the sangria and tomorrow at the Conference day we will continue with this "exchanging spirit".

Thanks to everyone who tried to make this a special day, it was.

Conference Day

Sunday at camp will be conference day, all about exchanging opinions and points of view about various topics.

We will learn about how different matters are faced in each country and, hopefully, improve our own perception towards those specific topics and the represented countries. Starting at 11am everyone is invited.

Dr Lurve Advice Column

"Please Dr Lurve I have a problem with my camp boyfriend Adam, he is very very tall and I am very short. What can we do? Thank you, Alicia"

Dr Lurve Says:

Well you must buy my new book as it is full of lots of information and very very thick, you may find your answer in there or use it to stand on when you are kissing him!

If you are confused, unsure or just have a question about anything concerning relationships then please ask Dr Lurve. He is here to help. Post your questions in the suggestion box.

Spanish Bullfight

Good moooorning International! We now have our very own radio station on camp. C.A.K.E. FM will be now on air from Friday. Ian Combe is running C.A.K.E. FM from Hut 2.

Internet Diary

Let everyone know how you are and what you are doing by publishing your diary on the Internet site. See David if you would like to write something.
