

# Camp Times <sup>1</sup>

## Warning to villagers!!!

Several campers have reported about streakers (naked people) running through villages at night. If you see any, please report to the press boys and try to take a picture (prize available for the best photographers).

## Mystery at EDDA's cabin.

Last night someone tried to sneak into Edda's cabin in the early hours. Whether the person wanted a personal encounter with Edda or to steal the bank continues to be a mystery.

## Adventure on Expedition!

Villagers from Party with Dewili had more "adventure" than expected during Expedition, when their mini bus broke down in the middle of the highway and the villagers had to walk under a heavy rain for 20 minutes. Compared with this episode, the rest of the expedition seemed a little "boring".

## Happy Birthday!

Happy 18th birthday to Emma and Lizzie, both on Service Team in Valenteenos Village.

## How old is Miguel?

"Camp Times" wants to open a competition on this topic, as female leaders think he must be over 40. Post your guess in the suggestion box in the computer room.

## Want a date?

Anyone looking for a date needs to write in an advert including age, qualities and the kind of person he/she is looking for and post the advert in the computers room.

## Agony Aunt!

"Resident Agony Aunt" (advisor) on duty from now on to help with your problems. Post your problems in to the Newspaper Box in Computers Room.

## Party Time in your Village

Your village will be holding a party tonight at 10pm. You may visit other villages after you have been to your own village party.
