No Stories to tell

Well this year must have kept everyone really busy as we have not had any new stories.

If you have any stories please let us know as we are sitting here with nothing to do...

Computer Room Busy

Everyone wants to use the Internet and we only have three machines this year! Warren has been busier than usual and has been allowing people to use his machine when it gets really busy.

With any luck we will have some new systems in place for next years camp.

Evaluation forms

The evaluation forms will be given out soon so please make sure you fill yours in and let us know everything you loved and hated about camp this year.

You can either hand your forms back to your village leader, group leaders or hand them in to the office reception.

Full details and results of the evaluation forms will be published on the website.

Thank you for your help as this will enable us to improve things for future camps.
